

# FLTAP SUCCESS STORIES

*At the Finger Lakes Thoroughbred Adoption Program, we're dedicated to giving horses a second chance to be winners. As these two success stories show, there are many ways in which an adopted thoroughbred can be a champion.*

**GROUP MEMBER** (now known as Hot Wheels) was adopted by Annie Mortimer in 2006 after 12 starts. He has successfully competed in dressage and eventing. In 2009 he was the USEF Zone 2 Dressage Sport Horse Breeding Mature Horse Champion as well as WNYDA Dressage Sport Horse Breeding Thoroughbred Reserve Champion.

**MR. ROGER** (now known as Black & Blue) was adopted by Annie Mortimer in 2008 from Phyllis Shetron. He has successfully competed in hunters and dressage. He was WNYDA Dressage Sport Horse Breeding Thoroughbred Champion in 2009.

*We work to find loving homes for our horses, enabling them to play an active role as they lead happy, productive lives. Contact us today to learn more about the horses that are awaiting adoption and help write our next success story.*
