

FLTAP SUCCESS STORIES

At the Finger Lakes Thoroughbred Adoption Program, we're dedicated to giving horses a second chance to be winners. As these two success stories show, there are many ways in which an adopted thoroughbred can be a champion.

FUZZIE'S HERO owned by Charles T. Akre and ridden by Carol Kozlowski, is by Partner's Hero out of Fuzzie's Girl. He and Carol won at the training level at both the Genesee Valley Hunt Horse Trials and Cosequin Stuart Horse Trials in 2009. This spring they were 5th in preliminary at Southern Pines Horse Trials, NC.

CAKE WALK was purchased by Carrie Wehle at the Finger Lakes as a 5 year old after racing 18 times. She started her eventing career at the Training level and competed through Prelim. She showed her versatility by winning the Foxhunters Timber at the GVH Race Meet and foxhunting.

We work to find loving homes for our horses, enabling them to play an active role as they lead happy, productive lives. Contact us today to learn more about the horses that are awaiting adoption and help write our next success story.
