

The Finger Lakes Thoroughbred Adoption Program is a unique program that strives to find homes for the retired racehorses from the Finger Lakes Racetrack. The addition of the Purple Haze Center on the racetrack grounds is making this mission easier to fulfill. We are the first in the country to have such a facility directly on the racetrack grounds, and this could not be accomplished without the support of Wanda Polisseni, Senator Nozzolio, Delaware North, Finger Lakes Gaming and Racetrack, the Finger Lakes Horsemen's Benevolent Protective Association and you.

The Donor Brick program offers you the opportunity to put your support in writing. The bricks will be placed around the large horse statue by the entrance of the Purple Haze Center, where they can be easily viewed.
